

On 11-03-2017, Detectives Hodnicki and Gibbs attempted to locate a park where Members of both MS 13 and 18<sup>th</sup> Street may congregate and or recruit during and after school. At approximately 1200 hrs, the Detectives encountered three persons at Putty Hill Park, which is only a short distance from Parkville High School. [REDACTED] was by himself, waiting for friends. [REDACTED] and [REDACTED] were simply cutting class. All persons were compliant and understood Detective Hodnicki's minimal Spanish proficiency and consented to searches of their person and property for Gang indicia. While viewing their phone Contacts, Images and Facebook, Detective Hodnicki inquired about their knowledge of Gangs and Gang Activity, specifically MS 13 and 18<sup>th</sup> Street, as well as recent Assaults. [REDACTED] indicated that he is friends with [REDACTED] but that he doesn't know anything about Gangs or recent Assaults. [REDACTED] was found to be associated with [REDACTED] (18<sup>th</sup> Street) on Facebook, indicating the Victims and Suspects in these recent Assaults are, at minimum, associated with persons in rival Gangs – MS 13 and 18<sup>th</sup> Street, and those associations seem to be at the core of the activity.

On 11-09-2017 Parkville High School SRO S. Webb was able to positively identify a photo of William Rauda Flores, from the same Facebook page identified by witnesses of the Towson Assault as associated with Suspect [REDACTED] and claiming to be a Member of MS 13.

Over the course of the last several months, Detective Hodnicki has come across several names / Facebook profiles, demonstrating an association with MS 13 or 18<sup>th</sup> Street, including [REDACTED], [REDACTED], who indicate attendance at Parkville High School and association with all or many of the above named persons. Attempts will be made to identify these persons.
